

HI! I'm Celia. I always have the next few trips in the planning stage....
Traveling to someplace I've not been before is one of my favorite things to do.
I love the feeling of stepping off the plane in a new city/country and
setting out to discover what makes it so special.
There's something exciting about the unknown, and something even more exciting
about peeling back the mystery a layer at a time.

The beginning

Let's go to America.....

Many Lovely cats,
Blue eyes,
Black hair.....

I wonder who is the owner of those many cats?

Statue of Liberty

A lovely kid!
